Cost: \$75.00
 (Springside members \$70)

TOTS SOCCER
 ASSOCIATION

Classes held at:

springside
 racquet &
 fitness club

Tiny Tots is an introduction to soccer through exercise and 'feet-on' interaction. We teach ball-handling skills, such as dribbling, passing, and shooting while concentrating on working together as a team! We focus on building the FUNDamentals of soccer knowledge and skill through the use of simple to advanced entertaining games and plyometric exercises. This helps us focus on teaching increased coordination, balance, and physical skill. Kids will play games that put their new found skills to use. This course also helps your preschooler improve their listening, direction-following, and turn-taking skills.
